June 25, 1963.

My dear Deendayal Upadhyayaji,

Rajaji has passed on to me your letter of 19th June. We are glad to see the resolution your Working Committee adopted on June 13 and 14 on Efforts at Opposition Unity, and your own keen interest in the matter. We, on our part, are equally keen that efforts should be made in the direction you indicate.

I shall look forward to seeing you when I am in Delhi in August.

Yours sincerely,

(M. R. Masani)
