Resolution passed at the meeting of the All India Working Committee of the Bharatiya Jana Sangh held at Allahabad on June 13 and 14, 1963.

EFFORTS AT OPPOSITION UNITY

The working committee welcomes the recent pronouncements of important leaders of various nationalist parties and groups regarding the desirability of acting in close cooperation to face the critical issues before the country like foreign invasion, internal corruption and the like, in order to compel the government to take immediate and effective action ⁱⁿ respect thereof; and the Jana Sangh is prepared to respond to these efforts.

The Working Committee however regrets that at this hour of national crisis, P.S.P. should have thought it fit, by it's Bhopal resolution to mar this spirit of cooperation.
