My dear Harish,

This is just to tell you how much I appreciate your spending a whole month in Gondal away from your work and your family. From all accounts you did a wonderful job and I am sure Kusanben appreciated having you with her. Between the two of you you certainly handled a difficult area and performed an uphill task. If the Gondal results are good it will largely be due to her help and yours.

Yours sincerely,

(M. R. MASANI)
