to Dear Nassim

(995) I hope the past
elections have gone off to your
satisfaction and I trust that the
4th Bd and Organization Bureau
too have satisfactorily dealt with
the Bihar issue.

I am hoping to reach London
on the 15th night by 1. The plane
183 at 7.45 P.M. I want to spend
the day at Bombay, after getting
down there by the Aer India plane
flight no 116 at 5.15 A.M.

If there is anything so
important and you wish me not to
spend the day at Bombay with my
nephew, you may advise the 1. The
people accordingly and also inform
Rajni and my nephew Ras.

I am hoping to reach London
on the 12th night.

I am glad to hear that the TPU
friends appreciated the gesture of our
party in sending me to their Congress.
It was a heart-warming re-union
for all of us. In London, I met the
new Secy of the Liberal International.
With best regards
Ramp
